

NEIGHBORHOOD
COFFEE
ON YOUR CORNER

is an information session during normal business hours responsive to residents who may be discouraged of attending public meetings outside of their communities and during evening hours.

ALL SESSIONS WILL BE FROM 10:00 A. M. TO 11:00 A.M.

These forums give the community the opportunity to hear directly from city officials and representatives in an informal setting at a local venue in their neighborhoods about city programs, initiatives and operations.
