- ▶ Oakland NIA (Neighborhood Improvement Association) – Update meeting in 2015

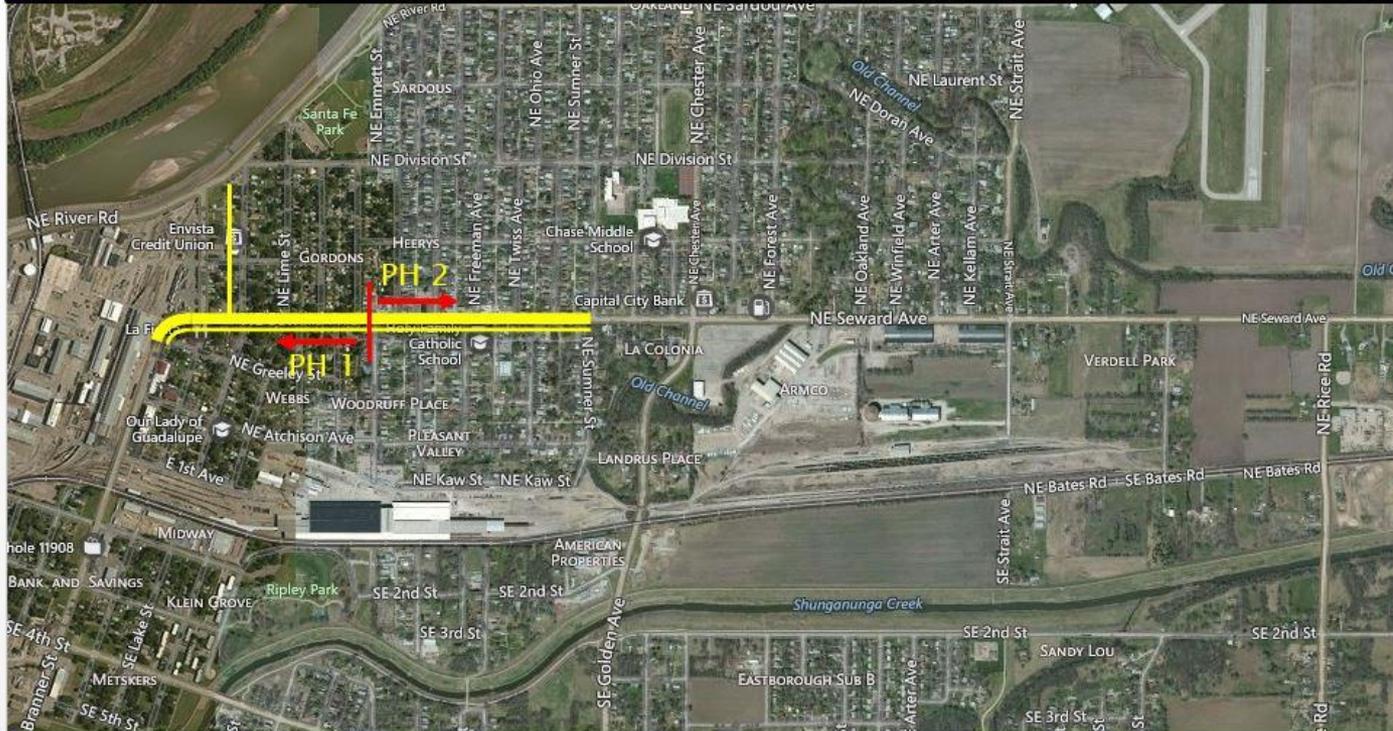

Project Highlights

- ▶ Seward Ave. replacement from Branner St. to Sumner St.
 - 4 lane section with 2 through lanes, central turning lane, parallel parking on north side
- ▶ 6' sidewalk along north side of Seward Ave.
- ▶ 5' sidewalk along south side of Seward Ave.
- ▶ Storm sewer removal and replacement
- ▶ Installation of “bulb outs” to enhance streetscape and improve storm sewer system
- ▶ New LED street lighting
- ▶ New water line installation

2016 Construction

Construction -2016

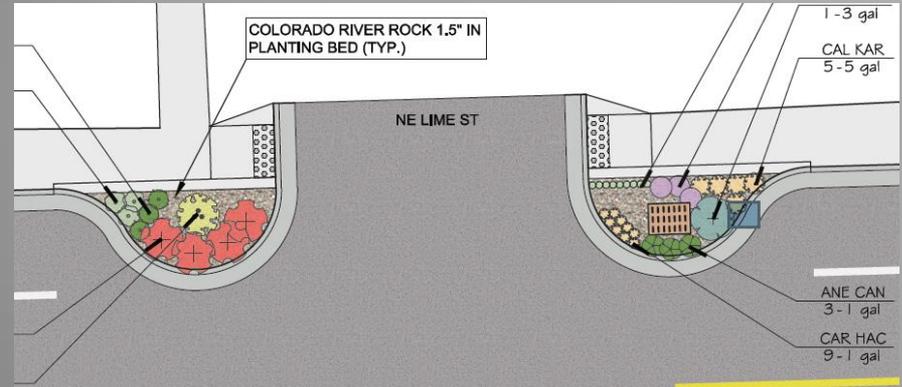

2016 Proposed Construction

- Phase 1 - Seward Ave closed between Branner St and west side of Fire Station entrance at Woodruff Ave, storm water and alleyway improvements from Seward Ave north to River Rd: 4 months
- Phase 2 - Seward Ave closed from east side of Fire Station entrance through Sumner St: 5 months
- Construction phasing to be coordinated with Germanfest and Fiesta Mexicana

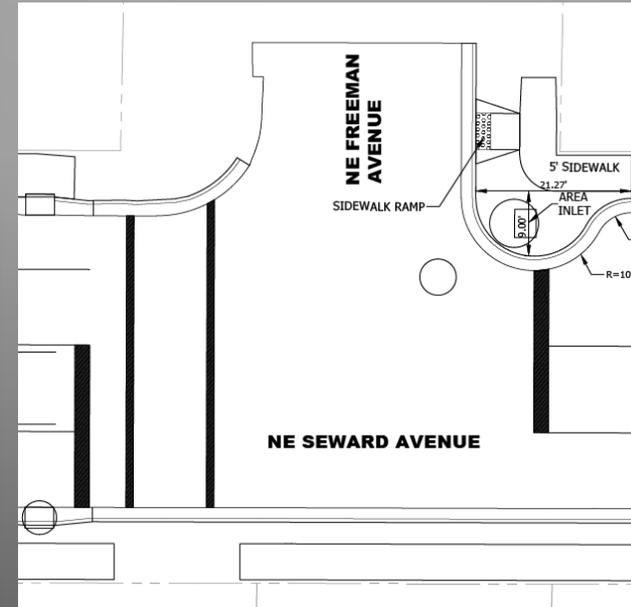

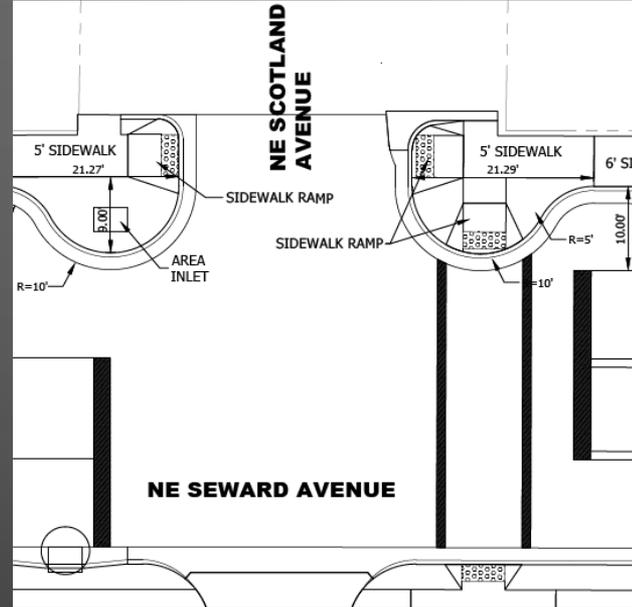

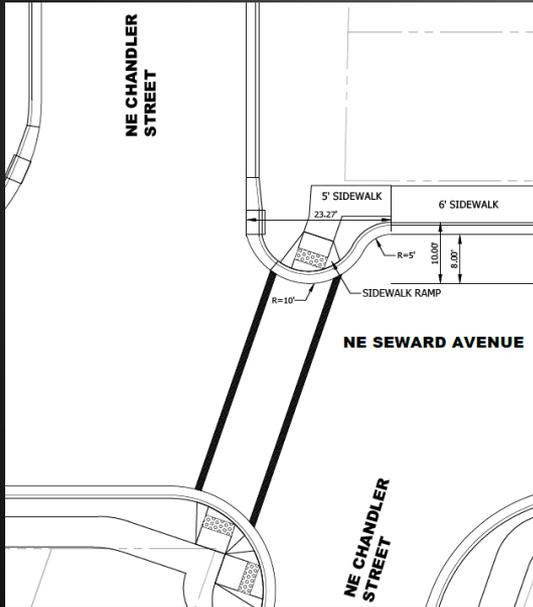

Streetscape

- ▶ Bulb-Out Installation
 - Traffic Calming
 - Storm Water Filtration
 - Aesthetic Enhancement

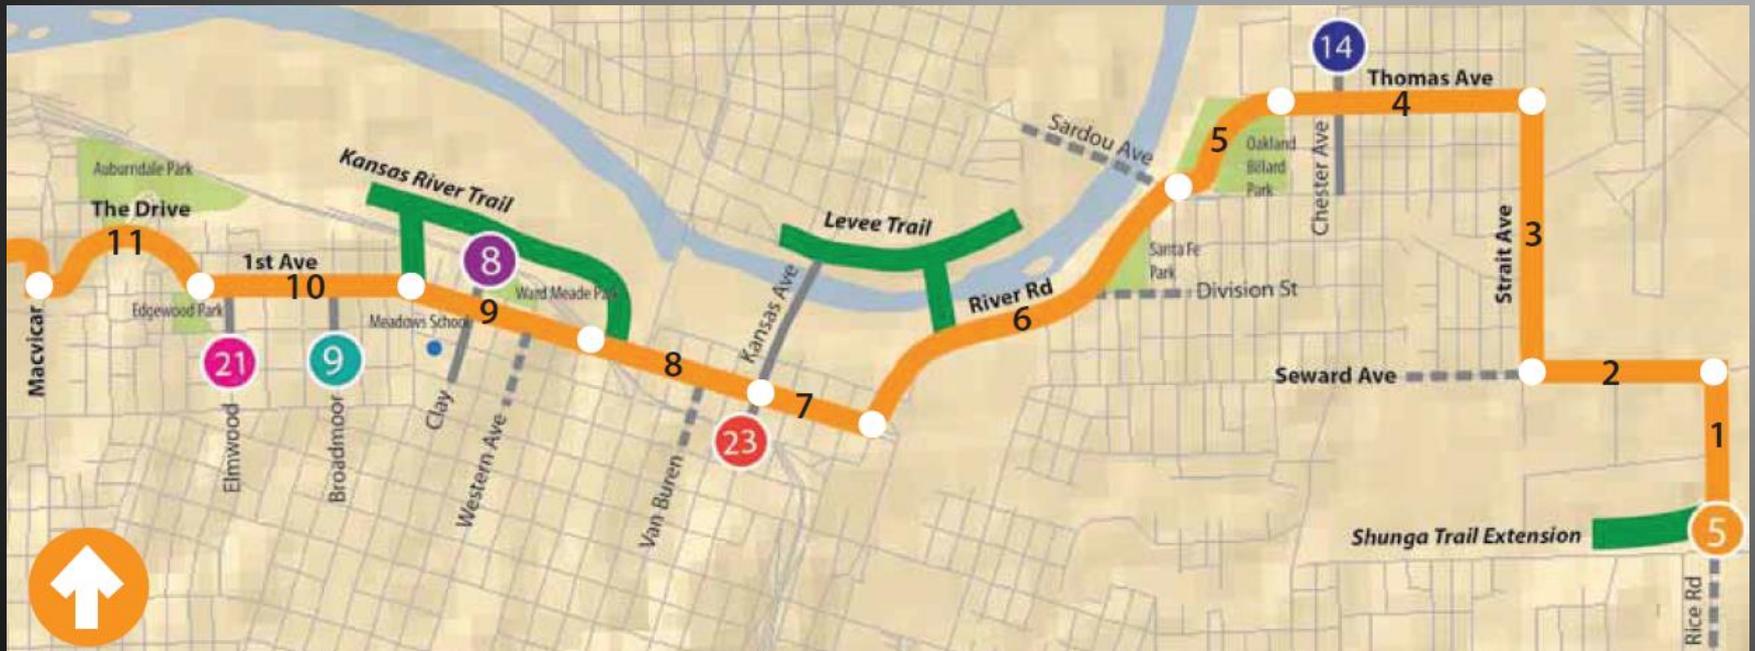

Pedestrian Crossings

- ▶ Crossings to remain at:
 - Seward and Chandler – Pedestrian Crossing Signal
 - Seward and Scotland – Pedestrian Crossing Signal
 - Seward and Freeman – Traffic Signal

Oakland-Potwin Bikeway

- ▶ Sharrows and bikeway signs to be added to Seward Ave. between Strait Ave. and Rice Rd.

Germanfest & Fiesta - 2016
