

## City of Topeka Fire Department

### 2016 Retail Fireworks Stand Inspection Procedures

City of Topeka Ordinance permits the sale of consumer fireworks beginning June 27<sup>th</sup> through July 5<sup>th</sup>. This year June 26<sup>th</sup> falls on a Sunday. In order to provide the best customer service available, the Topeka Fire Department will implement the below Inspection Procedures for the 2016 Retail Firework Stand season, to allow for early site inspections

#### EARLY INSPECTIONS

The Topeka Fire Prevention Division will conduct early inspections, of retail stands, June 22<sup>nd</sup> thru June 23<sup>rd</sup>, 2016. June 24, 2016 will be the official inspection date; No weekend inspections will be scheduled.

**If a retail stand is not entirely compliant and ready for inspection, at the time of the scheduled appointment, the inspection will not be done until June 27<sup>th</sup>, 2016**

- **Until the inspection has been completed and a permit issued by the City of Topeka Fire Department, the stand is prohibited from selling fireworks.**

Contact Inspector Tom Rodman at 785-368-4143, to schedule an early inspection.

#### JUNE 24<sup>th</sup> INSPECTIONS

The Topeka Fire Prevention Division will conduct these inspections starting at 9:30 am until 3:30pm, **appointments will not be taken.** Inspectors will arrive unannounced.

**Retail stands need to be compliant and ready for inspection, prior to 9:30 am, Stands found not to be compliant, on the initial inspection; will not be inspected again until June 27<sup>th</sup>, 2016.**

- **Until the inspection has been completed and a permit issued by the City of Topeka Fire Department, the stand is prohibited from selling fireworks.**
