Mr. James Brown
Chief of Police
Topeka Police Department
320 SW Kansas Avenue, Suite 100
Topeka, KS 66606

Dear Chief Brown:

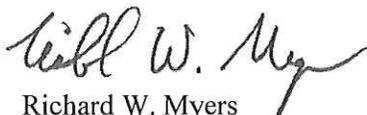

CALEA® Accreditation serves as the *International Gold Standard for Public Safety Agencies* and this correspondence serves to acknowledge the Topeka Police Department has been awarded CALEA® Law Enforcement Accreditation effective March 25, 2015 for the sixth time. This award may remain in effect for three years and the agency retains all privileges associated with this status during that period.

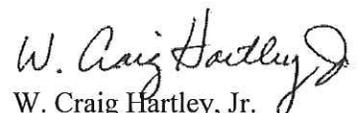

The process of CALEA Accreditation begins with a rigorous self-assessment, requiring a review of policies, practices and processes against internationally accepted public safety standards. This is followed with an assessment by independent assessors with significant public safety experience. Additionally, public feedback is received to promote community trust and engagement, and structured interviews are conducted with select agency personnel and others with knowledge to assess the agency's effectiveness and overall service delivery capacities. The decision to accredit is rendered by a governing body of twenty-one Commissioners following a public hearing and review of all reporting documentation.

Although the award symbolizes a significant professional accomplishment, it is also a demarcation for the agency to remain in compliance with CALEA standards. To this end, the agency must remit annual status reports to document its progression of continuous organizational improvement. The first two reports are to be submitted on the agency's award date of March 25, and the third report should be submitted three months prior to the next assessment period.

CALEA congratulates the Topeka Police Department for demonstrating a commitment to professional excellence through accreditation. The CALEA Accreditation indices are the *Marks of Professional Excellence* and should be displayed proudly by those that have earned them.

Sincerely,

Richard W. Myers
